

Technical Staff and Project Managers

Date Posted: 12/29/23

Keyes Architects & Associates, PLLC

Job details

Keyes Architects & Associates, an established 12-member regional architectural firm based in Louisville, Kentucky, is interested in hiring additional technical staff and project managers. Applicants working towards Licensing are preferred but not required for these positions.

Must be proficient in AutoCAD with an understanding of Revit, Sketchup and similar programs along with ability to continually work on multiple standard small to medium sized projects. Successful candidates are people wanting to advance their career. We provide a learning environment where we can teach you what is needed for this career path. Our office does not put our personnel on salary. Starting pay will be based on experience, as an hourly position with overtime as desired.
