

**Join us in June...at the
AIA CKC Procrastinator's Weekend
June 7, 2014
Natural Bridge State Resort Park
Slade, Kentucky**

Conference Schedule:

Saturday, June 7th:

- 8:30 am - 3:30 pm: Accessible Design Workshop, led by **Mark Lichter, AIA**,
Director of Architecture – *Paralyzed Veterans of America*

In 1946, Paralyzed Veterans of America (PVA) collaborated with the New York Chapter of the American Institute of Architects (AIA) on accessible housing for paralyzed veterans. In 1986, PVA's "Barrier-Free Design Program" added the oversight of the design and construction of VA medical centers to its mission. Today the PVA architecture department continues to advocate for accessible design, leading accessibility and SCI/D healthcare design seminars to educate architects and students studying to become architects.

6 hours total CEUs and Lunch

\$30.00 for AIA CKC members, \$60.00 all others

4:30 pm - 6:00 pm - Guided hike to the top of Natural Bridge led by State Park Naturalist Brian Gasdorf

6:30 - 8:30 pm - Social and Dinner at Hemlock Lodge
(*\$10.00 for AIA CKC members, \$20.00 all others*)

This workshop will provide an overview as well as detailed information about accessible architectural design. It will include an understanding of building codes and standards. It will also cover some of the latest accessible design trends, how to integrate accessible design into projects, and insights from the perspective of people with disabilities so that architects can gain a better understanding of one of the populations they are designing for more successful projects.

A block of rooms has been reserved for conference attendees and reservations can be made directly with the Lodge. To make reservations, contact the lodge by phone at (800) 325-1710. To register for the workshop, hike and dinner please go to:
