

DESIGNER – ARCHITECT

Our Louisville office is seeking a creative, passionate professional Designer or Architect to join our exceptional, well-rounded team of architects, working in a collaborative atmosphere on some of Kentucky's most notable and engaging design projects.

The ideal candidate possesses an architectural degree, with 5-plus years' experience, and is licensed, or working towards licensure.

Basic requirements:

- Professional (NAAB accredited) degree in Architecture
- Knowledge and proficiency in Revit, with preference for BIM Collaborate Pro experience
- Self-motivated, working with all levels of the firm, in a collaborative flexible office environment
- Graphic communications skills in a variety of media: Adobe Creative Suite, Rhino, TwinMotion, etc.
- Organized, Analytical, and Process-oriented; Focused, Curious and a lifetime-learning mindset
- Excellent verbal and written skills; Experience in Microsoft Office Suite

Your roles and responsibilities:

- Participating with project teams in advancing all phases of a project
- A wide range of design activities, including client meetings, programming, site planning, design, presentations, and other related activities
- Producing 3D computer models and renderings
- Producing accurate and timely construction documents
- Coordinating and prioritizing resources to assure the timely completion of multiple projects
- Employees may be asked to perform other tasks not listed in the essential job functions

Personal & Professional Benefits:

- Medical Insurance, Life Insurance, Dental & Vision Insurance options
- 401k, Paid Family Leave, Paid Time Off, Paid unlimited Sick Time
- Flexible office schedule
- Internal and External Continuing Education opportunities
- AIA Membership and ARE Testing reimbursement

Our Team:

K. Norman Berry Associates Architects is an architectural firm serving Kentucky and the region with comprehensive design services for over 50 years. KNBA has developed a work environment that encourages collaboration, harnesses evolving technology and works diligently to expand the vision of our clients with thoughtful, engaging design solutions.

We have offices in Louisville and Lexington, KY, and are proud of the long-term commitment we practice serving our community. We approach each project with a sustainability mindset, as stewards of our built environment and culture.

We have an accomplished and diverse portfolio with primary concentrations in Adaptive Reuse and Renovation, K-12 Education, Higher Education, Preservation, and Community-focused projects. Each project we undertake is a unique challenge and problem-solving endeavor, in close partnership with our clients.

KNBA is an equal opportunity employer, and all qualified applicants will receive consideration without regard to race, color, religion, sex, national origin, disability status, veteran status, sexual orientation, or gender identity.

Interested persons are invited to send their resume and portfolio to info@knbarch.com
